### Fonts

- Jura
  - This is an easy to font that also looks futuristic and tech forward thinking.

### Header

- The header has links that are small, yet easy to read, and the animation's title front and center.

### Website background

- The background is black just like the depths of space. This is to help with the immersion.

### Text

- Text is all orange on a black background to make it easy to see and read.

### Images

- All images are original and were created by me.
